

Important Documents for EU-citizens

You will need the following documents before you enter Germany:

- Passport or ID card (Also for the family members)
- if applicable, scholarship or grant confirmation
- an EU health insurance (for all accompanying family members)
- Certificate of birth (also valid for family members coming with you)
- Certificate of marriage (if your wife/husband is coming with you)
- Officially certified copies of your university leaving certificates (Bachelor, Master) and if applicable, scientific degree certificates, or any other academic certificates
- Letter of invitation from the receiving institute
- Certificate of enrolment from your university at home or ISIC-card (only Ph.D. students who are still registered with their university at home)
- Vaccination certificate (if available)
- if applicable, letter of admission to the university (Ph.D. students only)

In case of family reunion, for your family you will also need:

- a proof of financial resources to support your family
- a valid health insurance for all accompanying family members

All certificates must be translated into English or German, with the exception of the documents needed for the German embassy and the Immigration Office in Rostock, which must be in German.
