Corporate Design

The university has a corporate design that is used on the web and in printed matter.

University logos, screen presentations (Powerpoint/Latex) and print templates can be found at:

<https://www.uni-rostock.de/universitaet/kommunikation-und-aktuelles/corporate-design/>

You can access the templates with your user ID after logging in

Print/Scan/Copy

The prints are paid for via chipcard.

Charging terminals are located:

in the University Library Albert-Einstein-Straße 6

Ulmenstrasse 69 House 1, R 123

August-Bebel-Str. 28, 1st floor library in front of R. 1030

The print can be picked up at all freely accessible printers of the operating company.

You can also have larger documents such as bachelor's, master's, doctoral theses or posters printed at ITMZ using the online form (charges apply).
