

Advertisement D 113/2019

At the University of Rostock, Faculty of Philosophy, Institute of Sport Science, Chair Exercise Science, subject to funding, applications are invited for the position, starting on 01.10.2019 and ending on 30.09.2022, of a:

Research Associate (m/f/d)

(pay scheme TV-L E 13, part-time 20 hours/week, temporary, project)

Remit:

We are seeking for our project *"Professional Perception of Teaching Staff"* which is funded within the Quality Offensive in Teachers Education funded by the BMBF (German Ministry of Education and Research) a researcher holding a graduate degree. The goal of the project is to study the professional perception of teachers in education during decision-making processes in a virtual environment. Work packages include:

- design and realisation of the required studies for investigation of professional perception in a virtual environment
- acquisition and processing of data from motion analysis in the mentioned investigations
- publication of the results in peer reviewed international journals and on conferences
- preparation of a PhD thesis on basis of results of the investigations
- collaboration in acquisition of third party funding
- collaboration in demands of the professorship for Exercise Science

Requirements:

- Master degree or comparable certificate in sport science, biomedicine or medicine technology with at least good result
- founded knowledge in experimental scientific research, in application of biomechanical and physiological methods (e.g. cinematic, eye tracking, dynamometry) and statistical data evaluation
- competence and interest in handling of virtual reality with the GRAIL-System
- excellent research and communication skills in English and German are necessary
- willingness to work on a scientific qualification (PhD-Thesis) on basis of the collected data is wished

We offer:

- wide variety of possible assignments as well as interesting and challenging tasks in a university, which is rich in tradition but also innovative, modern and family friendly, being situated in a lively city at the Baltic Sea
- employment in accordance with the provisions of the public sector's wage agreement (TV-L)
- remuneration will be paid in accordance with remuneration group 13 TV-L/13 Ü if the personal and tariff prerequisites are satisfied

Further information:

The position is generally suitable for part-time work. If appropriate applications are received, it is examined whether the part-time wishes can be fulfilled within the employment opportunities.

The limitation of the term of employment complies with § 2 (2) WissZeitVG.

Equal opportunity is an essential part of our human resources policy. The University of Rostock seeks to increase the proportion of women in research and teaching and particularly encourages female applicants to apply for this position. We welcome applications from people of other nationalities or with a migration background.

On Request, the Personnel Council can be brought in. Please submit a formless application to your application documents.

We are looking forward to your application. Please send your informative documents until **10th of August** with the email subject „**Advertisement D 113/2019 – last name, first name**“ to bewerbungen.personal@uni-rostock.de. Only applications, which are send to this e-mail-address, in time and as one single pdf-document, will be included in the selection process. The protection of your personal data is very important to us. Therefore, your data collected as part of the application process are collected, processed and used in accordance with the relevant data protection rules.

Please note that the Federal State of Mecklenburg-Vorpommern does not reimburse application and travel costs.
